PROPERTY DESCRIPTION

Spectacular! That is the BEST way to describe this end unit townhome. It's amazing what can be done to a home these days. Hardwood floors in the Living room and Dining room, wainscoting galore, ceramic tile floors in the kitchen and breakfast areas, a beautiful finished basement. This home shines. Enjoy a wonderful fire in the gas fireplace, or a relaxing evening on the deck cooking on your grill built with maintenance free materials. Some of the other nice things about this home are the 2-car garage, 9' ceilings, bumped out bay window in the dining room and a large walk-in closet in the master bedroom. You are not going to be disappointed with this home. Hurry to see this one!
